- Deliver the highest quality learning opportunities facilitated by excellent teachers.
- Inspire our pupils to become confident, motivated and respectful individuals ready to make a positive contribution to society.

The Trust will support our schools by:

- Providing the resources and stability schools need to work efficiently and effectively, overcoming challenges and prioritising education every day.
- Providing a platform for collaboration, sharing excellence and experience, and fostering unity and shared purpose.
- Nurturing our Trust's 'culture of improvement' where staff thrive in a safe, supportive network, embracing feedback and professional dialogue to drive sustainable improvement.

TPAT Safeguarding Statement

The Safeguarding Trustee is

The Park Academies Trust (TPAT) is committed to safeguarding and promoting the welfare of children within its family of schools. It expects all staff and volunteers to share this commitment.

TPAT and its schools recognise their responsibility to safeguard the welfare of all their children by protecting them from emotional, sexual or physical harm and from neglect or bullying. They acknowledge that child abuse can be a very emotive and difficult subject. It is important to understand the feelings involved but not to allow them to interfere with judgement about the action to be taken.

TPAT and its schools believe that the child's welfare is always of paramount concern, and that all children have a right to be protected from abuse regardless of their age, gender, disability, culture, language, racial origin, religious belief or sexual identity. All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately in accordance with the school's Child Protection and Safeguarding Policy. Each school is committed to working alongside parents and other professionals to ensure effective support is put into place for every child.

Every adult is expected to play their part in safeguarding our children. Each school supports this through safeguarding and child protection awareness training. All staff in all of our schools know the procedures that should be followed should they have any concerns about a child. All staff know where to go should they require some information, help and guidance.

TPAT supports each school in the following ways:

- Fully adopting the Keeping Children Safe in Education Guidance and section 3 of the Early Years Framework;
- Undertaking safeguarding external / internal reviews and Local Authority audits on an annual basis;
- Ensuring each school adheres to their Child Protection and Safeguarding Policy and other safeguarding policies and procedures that detail school specific advice and designated safeguarding lead details;

- Ensuring each school has a Governor with special responsibility for safeguarding;
- Having a Trustee with special responsibility for safeguarding, who liaises with TPAT's Head of Governance and the Safeguarding Governors;
- All staff receive regular training on child protection procedures, including Prevent and Keeping Children Safe in Education guidance.
